**Subject: THE GREATER MANCHESTER MINERALS PLAN DEVELOPMENT PLAN DOCUMENT:
EXAMINATION HEARING & PROPOSED MODIFICATIONS**

Dear Sirs, Madams,

I write further to the Examination Hearings that were held on the 22nd and 23rd February 2012 regarding the submitted GM Minerals Plan DPD.

I can confirm that the Hearing sessions have been adjourned to allow for further public consultation on the proposed main modifications to be made to the Minerals Plan identified at the Hearing sessions. Since approval of these Main Modifications is required by the Full Council of each of the 10 districts this cannot take place till the last GM council has approved them. At this stage consultation is likely to take place during August and September. Following the close of this consultation, the Inspector will need to consider any representations received and this may require a further hearing session.

The Examination Hearings will therefore reconvene on Wednesday 3rd October 2012. Commencing at 10am in Room 6, Stockport Town Hall, Edward Street, Stockport, SK1 3XE.

I attach copies of the schedules of the Proposed Main Modifications and Minor Modifications to be made to the Minerals Plan following public consultation and the hearing sessions in February. Attached for your information is also a copy of the proposed amendments to be made to Policy 7 of the Minerals Plan.

If you have any queries please do not hesitate to contact me. If I am not in the office, please leave a message or send me an email and I will get back to you as soon as possible.

Yours sincerely

Christopher Hobson
Programme Officer.
